# Show Guide

# **Welcome to Betley Show 2019**

## **Our 162nd Show**

**We are really looking forward to this year's show, with some excellent attractions in the main ring and returning favourites such as the Dog & Duck and Wings and Things.**

**Plus we have Howard Middleton returning from Great British Bake Off in the cookery demonstration area. I know that he's a very popular chef and he will be signing books too.**

**We also have Savage Skills Ultimate Air Show, Animal Man - Simon Aiery, John Evans, the legendary headbalancing strongman and Dan Budd as Robbie Williams performing on stage, he really is superb!**

**Lots of things for the younger ones to do in the Village Green area such as face painting and circus skills**

**It is always a good opportunity to catch up with old friends and sometimes make some new ones too!**

**Enjoy taking part, good luck in all your endeavours,**

**With my best wishes**
